The Breede River

Only one hour's drive from Cape Town and 45 mins drive from Robertson lies the Worcester section of the Breede River. It offers a dramatic landscape where the fast flowing channels and delta's of palmiet interchange with long dark pools and willowy banks.

The cruise is ideal for first-time rafters, and our qualified guides ensure your safety. We take care of you from beginning to end. Whether it just be for a weekend getaway, team building expedition or just a bit of environmental awareness.

Our put-in point will see you onto the river through a maze of channels and into fast-flowing streams under overhanging trees. Spend the day on the Breede River; drifting, sunbathing, swimming and generally enjoying yourself.

We provide hearty, wholesome meals on the banks of the river, which can be enjoyed at leisure, accompanied by pre-arranged wines from the Worcester valley back in our base camp.

This adventure is suitable for young and old, swimmers and non-swimmers, fit and the not so fit.

Info on the Single Parents weekend:

The single parent weekend sprouted from the desire of many families within the Bundi family, who are passionate about the outdoors and who want to spend “Quality time” with their son or daughter. The Breede River is the perfect setting for parents and children to bond and relax in an outdoor environment out of the hustle and bustle of the city. River rafting is incorporated with other activities such as fishing and a high ropes course.
